We respectfully invite the Ladies of Abbeville to our Opening of FALL AND WINTER MILLINERY on Thursday, 14th Oct.  
All the novelties will be displayed.

FOWLER & McDONALD.

Hann's Arctic Journey.—Capt. C. Hall, who in 1851, started on a sledge journey, in search of the remains of Sir John Franklin's expedition, returned to New Bedford last Sunday. He brings with him 120 reliques of that ill-fated explorer. He is confident that he never reached as far as Montreal Island, and that his companions' bones lie scattered along the coast of King William's Land, where they died of starvation. He believes that had he been enabled to spend the summer in exploring the island, he could have found the complete manuscript records of the expedition. In the fall of 1868, during a mutinous attack of his men, Capt. Hall was compelled, in self-defense to shoot one of the mutineers. It is his desire to organize an expedition, under Government aid, to start next summer in search of the open sea supposed to lie around the North Pole.

MISCELLANEOUS.—The regular republicans of Mississippi have nominated General Alcorn for Governor, (white man) with a mixed ticket, including James Lynch, (black man,) for Secretary of State, against General Bent, adopted by the Democrats as the National Republican candidate. Bent, as the President's leather-boddy, is strong, and will probably be elected over Alcorn, the President's candidate, and by the negro balance of power. Sambo all over the South, is getting tired of waiting. For those forty acres and that mule, promised by the radicals, and so he is bolting in every direction.

New York Herald.

Under the present system, they who assume the duties of Senators from the South, are not United States Senators, but only members of the Central Imperial Conspiracy, created by a species of fraud, which assures them to be the most unmitigated villains in the land, and therefore pre-eminently qualified to become the perpetrators of any and every wrong essential to the maintenance of ecclesiastical despotism." True. And Virginia sends two more!

New York World.

Obituary.

DIED, Sept. 23d, 1869, of Typhoid fever, at the residence of her father-in-law, near Lowndesville, S. C., ANNIE, wife of ALBERT T. BAKER, and daughter of Esau and Delphine Brooks. She was born in Edgefield County, December 16, 1845. She early lost there was a void in her heart nothing earthly could fill, and wisely she sought and found in God, the rest her soul desired, and made a covenant by sacrifice with God, and joined the Baptist Church, and consecrated her life to His service. During her short illness, she often expressed her entire resignation to the will of God, and with joy would exclaim, "Bless the Lord, oh my soul!" It is said to know, that one, so loved, in the associations of life—one, who gave so much of sunshine to her own family circle, has been taken away by death.

On earth her soul was but in the bud. She went to a fairer clime that she might blossom. She leaves a devoted husband, an infant child, an aged mother, kind brothers and sisters and many friends to mourn a loss, which to her, is eternal gain. Edgefield Advertiser please copy.
